Mr. Stan Kesselman
15 West 81st St.
New York, N. Y. 10024

Dear Mr. Kesselman:

I received your letter and check as payment for the 1875 S \$5 gold piece, and thank you very much. I'm glad the coin was satisfactory.

My father, Dan just left on a nice Christmas trip. He and my mother are going to South America for a month and a half, so they'll have no problems of cold weather where they're going. As a matter of fact, they probably will have hot weather. I wish we would get some of the cold weather that you have had; actually we've had an awfully mild winter so far, and I like to ski and we haven't had quite enough snow to make it real good yet. So in case you have a spare snowstorm, send it our way.

Cordially yours,

Dan Brown

Dear Stan:

Received your nice note of the 30th, and thanks for the same.

I think you mean only the scarcer U. S. gold. I'll make a list of that and send it on to you at my earliest convenience. Of course, we have the regular ordinary gold also, but you usually only ask about the scarcer ones; hence my thinking the same.

Mr. Stan Kesselman

Dear Stan:

Received your nice letter of the 13th, and thank you for the same.

At the present time, most of my better date gold is at the PNG Convention in Chicago, so can't do a thing for you at the present time. If and when it comes back I'll be glad to send along anything to you for your approval, plus anything else I might have.

On Proof coins that are hairlined, spotted or cleaned: I'll check through my stock and let you know what I have available, and of course will be glad to send to you for your approval. Or, possibly send it along for your approval early next week.

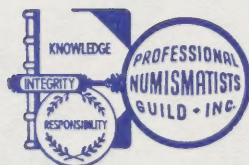

The reason I mention early next week is: I have a party who is interested in buying me out, and before sending anything I would like to check with him as to what he wishes to do in regards to this type of material -- which I think is only fair to him. If he doesn't buy me out, then of course I am free to do as I want. I should know by the end of this month for sure.

Dan

Thought I was going to be sold out by this time -- as per my letter of October 17th, but so far nothing has happened.

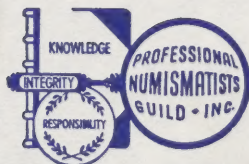

I will enclose with this letter a little bunch of odds and ends that might be of interest to you. If so, fine. If not, don't hesitate to return anything not wanted.
